When we arrived as wide-eyed, naive freshmen, these past four years stretched endlessly into the future. As days melted into weeks and weeks into years, our class shared many happy moments and also weathered several storms. However, each experience, whether good or bad, increased our knowledge of human nature. We, the editors of the 1965 Topper, have worked hard to produce a complete and lasting picture of our four years at Walpole High School: the years which started us on our paths towards "Peace through Understanding."

UNDERSTANDING
through education

We believe that peace is a common goal continuously being sought by all nations, races, and creeds. The only way this can be achieved is through understanding, but understanding comes only through education. Therefore, to make the world a better place in which to live, we must strive to attain PEACE THROUGH EDUCATION.

The Editors

DEDICATION

In between games in Biology Class.

In recognition of the leadership and guidance that he has given to us as both a teacher and a coach, we, the class of 1965, dedicate our Topper to Mr. Charles Cinto.

. . . With Deep Appreciation

School Committee
1st row, left to right: Mr. Norwell, Mrs. Clapp, Mr. Dalton, Mr. Hawkins. **2nd row, left to right:** Mr. Bunker, Mr. Murphy, Mr. Driscoll.

ADMINISTRATION

Our Walpole school is directed by our School Committee, our superintendent, and our principal. We realize the many hours of hard, sincere work that all these people give so that we may have the best possible educational opportunities. We are aware that it is to their diligent work that we owe our fine education.

Our Academic Welfare . . . Their Responsibility

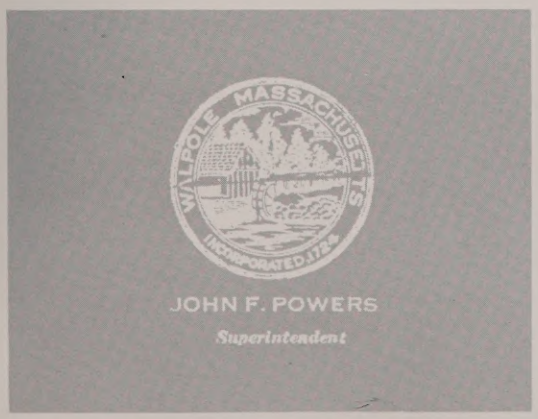
Mr. John Powers

To The Class of 1965:

During your Senior Year you have been seeing educated Men of the Cloth give their all—even their lives—for the freedom of man and the progress of America towards its fullest destiny. What greater example of the value of an education could have been given to you?

My congratulations to each of you personally on your graduation, and best wishes for the future.

Sincerely yours,
John F. Powers
Superintendent of Schools



Mr. Stacy and his capable secretary, Mrs. Grant

PRINCIPAL'S MESSAGE

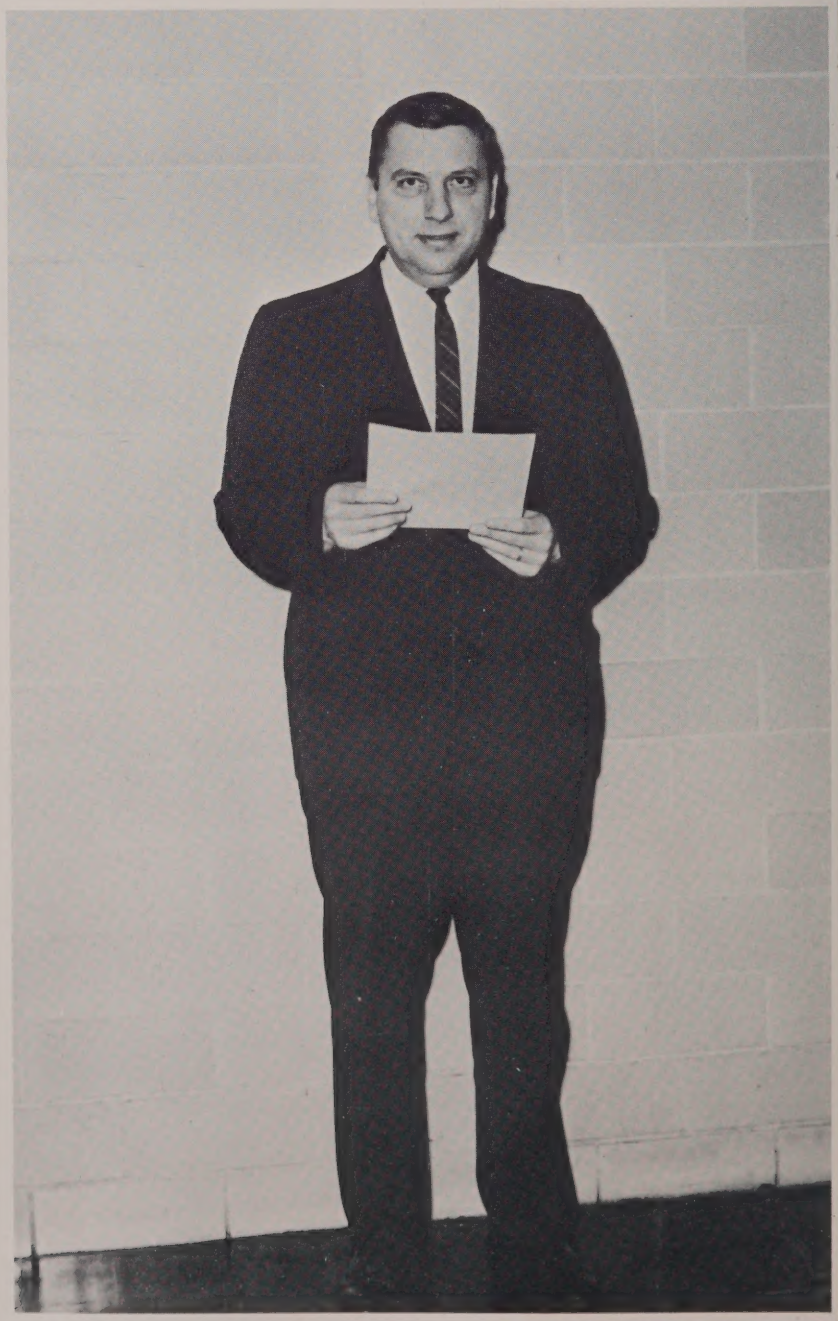
To the Class of 1965:

Graduation marks the end of one phase of your lives and the beginning of another. For some, formal schooling has ended; for others, further academic work is in prospect; but for all, the process of learning will continue in one way or another.

We have no choice; we must continue to study, to learn, and to adapt ourselves to the ever changing conditions in the world. We must come to understand more fully our fellow man in order to live in Peace.

May I take this opportunity, on behalf of the Faculty, to wish each of you success in the years ahead.

Wayne O. Stacy



Keeping Us On Our Course

Mr. Thomas Riley

ADMINISTRATION

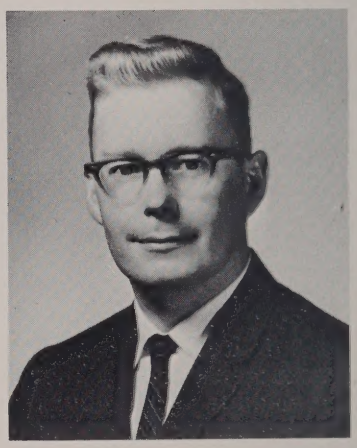
Until January when Mr. Stacy was named principal, Walpole Hgh School was under the capable leadership of Mr. Riley, Mr. Geib, and Mr. Stacy. These three gentlemen worked diligently to keep the high school running smoothly. To them, we the Class of 1965 offer our sincere thanks. We also wish to extend our congratulations to Mr. Geib, who has recently been named Vice Principal. As we graduate, the high school is being efficiently directed by our new principal, our new vice principal in charge of administration, and our proficient vice principal in charge of students, Mr. Riley. We feel we are leaving the school in very competent hands.

Mr. Riley, Mr. Stacy, and Mr. Geib

Helping Us To Meet The Problems Ahead

Mr. Robert Geib

Miss Eleanor Sline



Mr. Richard Murphy

GUIDANCE

The function of the Guidance Department is to help students direct themselves to their particular goals.

It is their aim to foster a broad understanding not only of other disciplines but also of other people. It is through a knowledge of human behavior backed with academic learnings that they can help give a contribution to peace through understanding.

"Three heads are better than one."

"Where is Wynot College?"

Miss Louise Darmedy

"Do freshmen really study this hard?"

Peace Through Understanding
Understanding Through Education

Today we can understand the history of the universe; we can also, in a limited way, participate in this history. This is new. Until recently most men were not knowledgeable about human problems beyond their immediate local environment. They simply accepted national and international situations as they accepted plague and flood waters; these were forces beyond their control. The challenge of education is to create a world of people so well-informed, so mature, and so confident that they will assume without flinching their appropriate responsibilities for the affairs of the world.

Strengthening Our Ability

ENGLISH

Our English courses aim to acquaint each pupil with the best interpretations of the life and aspirations of mankind; they also endeavor to clarify his vision of himself. As his sympathy and understanding for others grow, and his abilities in communication strengthen, he will be prepared to contribute his service to community and national living. In a world as complicated and interrelated as ours, one must be prepared to seek peace through understanding and education.

MATHEMATICS

The Mathematics Department of Walpole High School offers the student a very broad field from which to choose his program. These courses range from basic mathematics to the calculus.

The main aim of the Mathematics Department is to have each student pursue mathematics until he has reached the limit of his capabilities. The scientific developments of the world in which we live demand that if we are ever to reach our goals of peace and understanding, everyone must make the best use of the talents which he possesses.

"Looking for the answer."

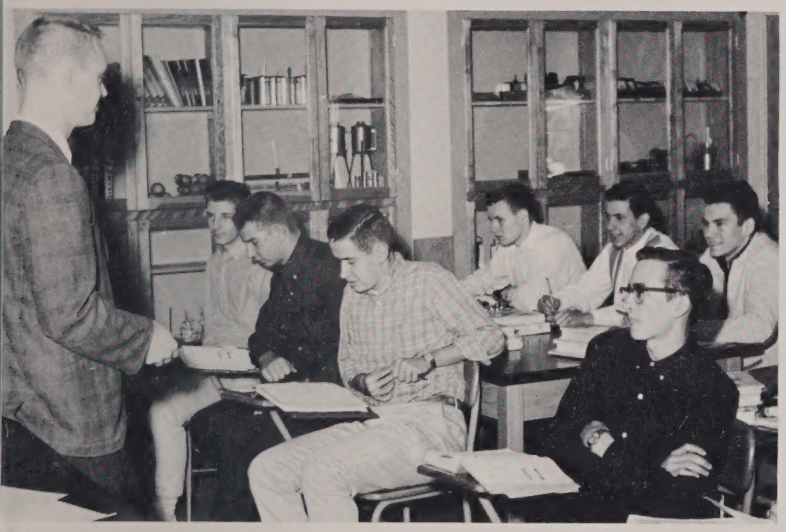
Mr. Francis Foley

Mr. David Sveden

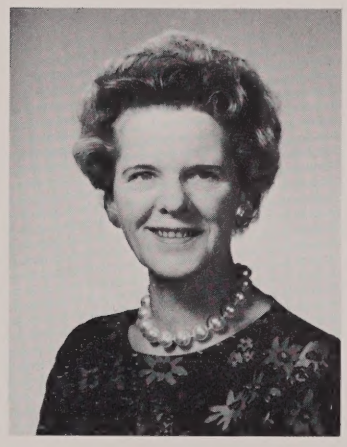
Mr. Arvid Ohlen

Through The Spirit Of Inquiry



"All right, Einsteins, let's find that answer."

Mr. Stanley Innes



Miss Joan Hale

Mr. Charles Cinto

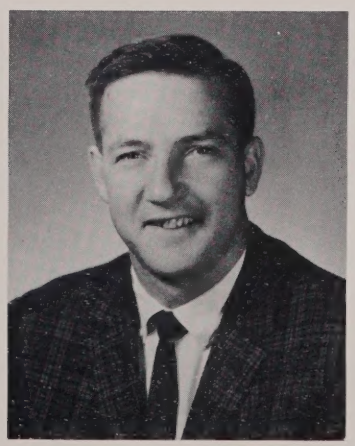
SCIENCE

To develop the spirit of inquiry, to encourage those pursuits sparked by that inquiry, are the primary goals of our Science Department.

Along with their immediate goals we hope to integrate the potential power of man's discoveries, along with his wit and integrity, to achieve that highest of all goals — a just and lasting peace.

Mr. Thomas Brown

Mr. Robert Conkey



Mr. Robert Magner

Developing Commercial Skills . . .

Mr. Robert Manning

BUSINESS DEPARTMENT

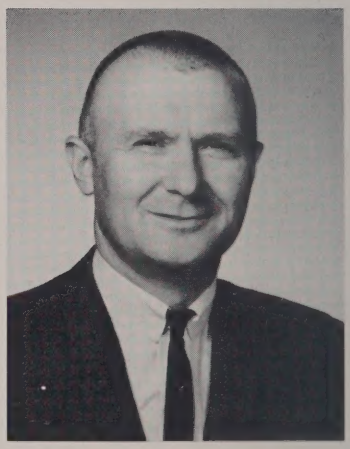
The prime concern of every high school business education department must be the preparation of students who meet the needs of the business community.

With that thought in mind, we must keep pace with—and, indeed, be ahead of—the times. To achieve that aim, we need to keep our minds open and flexible.

"Keep your eyes on the copy!"

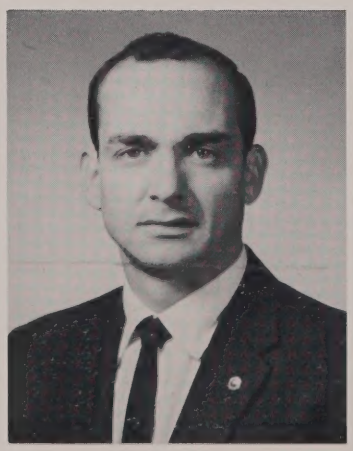
Miss Ella Howe

"You're not doing that right!"



Mr. Raymond Valaitis

Mrs. Helen Kelleher



Mr. Joseph Messina

Miss Carolyn Ciccarelli

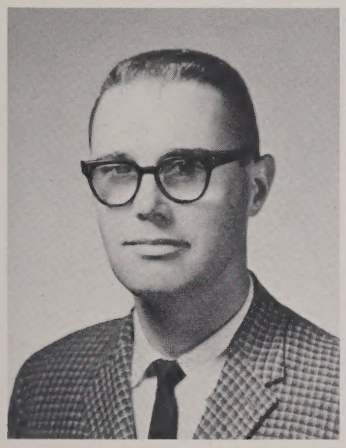
And Practical Talents

INDUSTRIAL ARTS

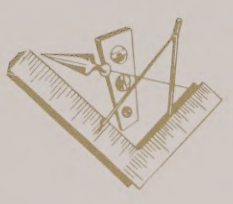
The Industrial Arts program is designed to encourage students to discover and develop those creative skills that become the unique product of the artisan.

Through working on prescribed projects, the student realizes latent interests and potential talents that may ultimately lead from interesting hobbies to life-long occupations.

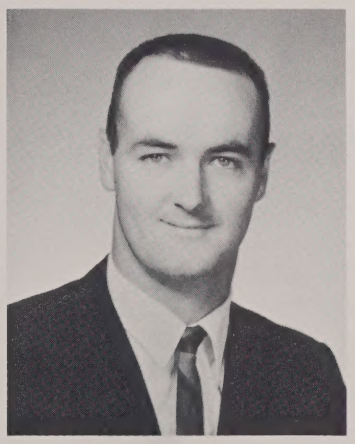
Mr. James Bachman



Mr. Edwin Page



Mr. George Conaty



Mr. William Walsh

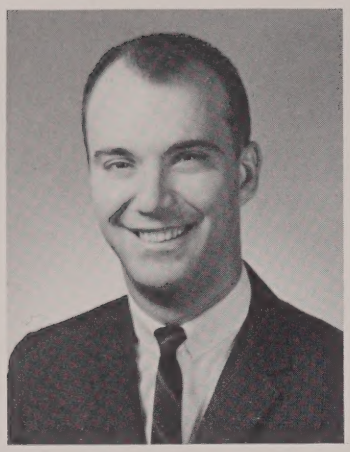
"That's the way to do it!"

Mrs. Grace White

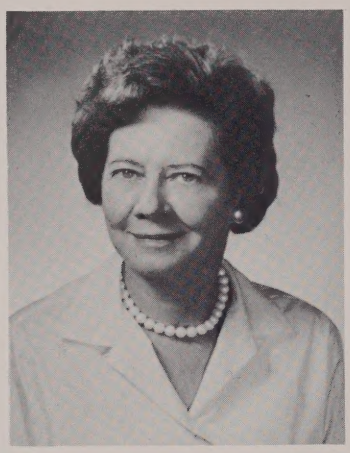
Mrs. Gloria White

"You know that's good!"

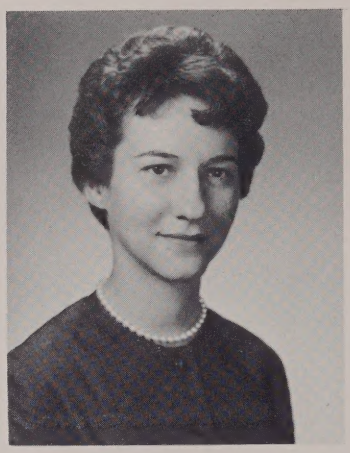
Developing The Aural-oral Approach



Mr. Peter Paglari



Mrs. Dorothy Davis



Miss Rita Mousseau

Miss Jennie Celona

FOREIGN LANGUAGES

The unisphere of the World Fair symbolizes the efforts of our language department to develop an international unit through understanding one another's cultures, traditions, and philosophies.

A modern aural-oral approach encourages literary appreciation and oral expression.

As language study continues to grow in importance, it is our aim to keep abreast of modern techniques and methodology.

Miss Mary Connolly

Now it's time for our favorite exercise!

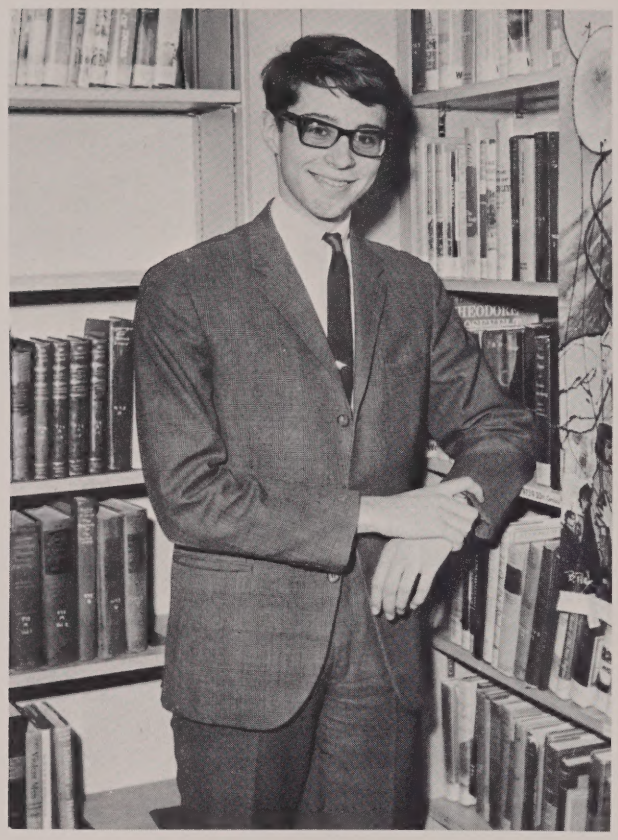
SENIOR PERSONALITIES . . .



OUR FOREIGN STUDENT

Lars Jansson, this year's foreign exchange student, came to Walpole from Stockholm, Sweden. Although everyone was at first surprised that he had dark hair instead of blond, his warm and friendly personality soon made everyone forget that we had a brunette from Sweden as our guest. He fit into our Senior class very nicely and impressed all the students with his amiable nature and almost incredible memory for names. He also spoke excellent English and had no trouble at all with our slang expressions. We students of Walpole High were very glad that Lars was a part of us for the year and hope that he enjoyed us as much as we enjoyed him.

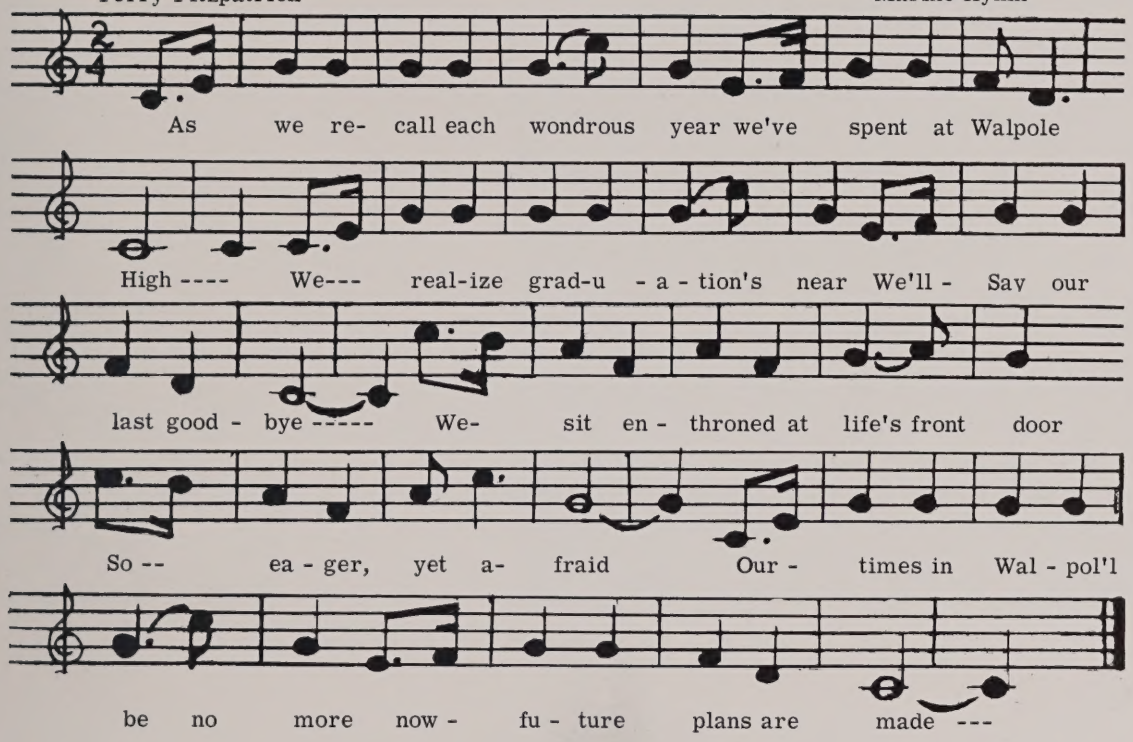
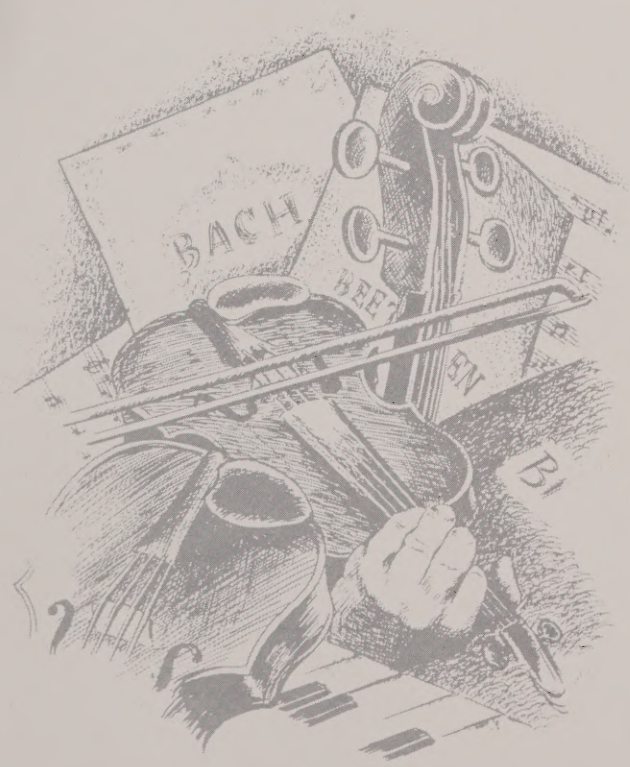
Marine Hymn



Within our hearts there'll always be
this school for which we care
If settled down or fancy free
The memories still are there
Our problems—every high school care
From these come new found peace
A strength for which we onward fare
On roads that ne're will cease



Remember Our Freshman Year?

FRESHMAN YEAR

Unlike previous classes, the class of '65 did not enter the gates of Walpole High timidly; we were proud of the fact that we were the first class in many years to begin as Freshmen, and we were determined to prove ourselves to be the exceptional class that we are. Our first decision was the election of officers, and the results were: President, James Baldassari; Vice President, Richard Delaney; Secretary, Terry Fitzpatrick, and Treasurer, Robert Turco.

To emphasize how proud we were of being Freshmen, we held a "Beanie Day" for our class. For one day, the boys wore blue beanies adorned with a white '65 and the girls flaunted white beanies with a blue '65. Clever, eh? It was a smashing success as was the Senior Dance, "Down Mexico Way," held that night to initiate Freshmen.

After a bit of friendly persuasion, Mr. McGovern allowed us to choose nine cheerleaders to root for our Freshman sports. They were elected just in time to cheer the Freshmen hockey squad on to a great season. Speaking of hockey, we should mention that the competent coaching of Mr. Cinto and a talented varsity team captured the Bay State Championship for Walpole High. The field hockey team successfully completed an undefeated season with the aid of Claire Buckley—our only representative on the varsity squad.

To supplement our meager treasury, we held our first dance entitled "Twilight Time," which was a great success. We ended our Freshman year relieved that the worst was over and hoping to outshine every class that would follow us.

Soon It Was Sophomore Year

SOPHOMORE YEAR

We entered Walpole High our Sophomore year and promptly elected these capable officers: Richard Delaney, President; Ronald Webber, Vice President; Cecelia Buckley, Secretary; and Robert Turco, Treasurer. It was a long, uneventful, cold winter marked only by our illustrious "Golden Boy" president attaining a position on the varsity hockey team which won the State Championship. Hurrah!! The team really did not know what they were losing when our Baldy went off to Choate. Our field hockey team proudly displayed a spotless record, and the girls' basketball team astounded the boys by finishing second in the league. The highlight of the entire year was our Sophomore Dance. We will never forget the "Hilltop Hillbilly Hop." (Whoever thought up that?!?) The decorations were fabulous—especially Emily's dummy that hung in the center of the gym. The money collected from this endeavor greatly enhanced the funds already "pouring" in through class dues.

To climax our last year as underclassmen, we decided not to conform to the nonconformity of the class ahead of ours; therefore, we traveled to Canobie Lake Park, New Hampshire, to celebrate our class trip. Remember the fun we had on the bumper cars, and the roooooller coaster??

At graduation we jubilantly waved farewell to the Seniors and said one last good-bye to Cece Buckley. We knew that, beginning with our Junior year, we would be making earthshaking decisions that would perhaps affect the entire school, and we sincerely desired to alter our reputation as a "bad class."

Junior Year Was Upon Us And,

JUNIOR YEAR

We entered our Junior Year labeled "that class" and immediately elected the following officers: Richard Delaney, President; Ray Jenkins, Vice President; Terry Fitzpatrick, Secretary; and Robert Turco, Treasurer. Our anticipation of important social events of the year was shattered by the tragic news of the death of President John F. Kennedy. Some of the usual highlights of the season were cancelled, including the field hockey-football game and the cheerleader and baton competition.

It was soon time for our class to present the Junior Dance, "Snow Carnival." Not only was it a great deal of fun, but it also added to our treasury to provide funds for the Junior Prom.

It seems as if we spent all year just preparing for the Prom. We even had trouble finding a theme for it. We could not decide between "Moonlight and 4 Roses," and "Moonlight and Roses." Wisely, we chose the latter. However, the decorations committee probably would have preferred the former so they would have only had to make four roses. After all our work, the Prom turned out to be a beautiful success, although it did set us back a bit financially.

We completed our Junior year with a class trip to Horseneck Beach. We could not have chosen a better day. The sun was shining and the water was great. Everybody had a blast and a sunburn the next day. We bid one last farewell to Mr. McGovern, who had given up hope for our class; and anxiously awaited our final one hundred and eighty days at Walpole High.

Our Senior Year started off with a bang. To show our appreciation for Mr. Stacy, our newly-elected principal, we had a small "riot" and a very successful lunch boycott—both of which proved nothing. We finally decided to help Mr. Stacy, for we had many problems to solve this year. For our officers we elected Richard Delaney, President; Paul Rimavicus, Vice President; Terry Fitzpatrick, Secretary; and Allen Falconer, Treasurer.

Our Senior Dance, "Babes in Toyland," at which the Freshmen were taught to play "Ring-around-the-Rosie" and other fun games, proved to be the best initiation of Freshmen in many years.

Later, at the Student Council Dance, Karin White won the title of Miss Walpole High.

In hockey we were undefeated and untied, a first for a Walpole team in the Bay State League, and we climaxed a terrific season with a victory over Norwood to win the States and another beautiful trophy.

In March, eighty-four members of the Senior class took an excursion to the United Nations. Among the catastrophes that occurred were a slight accident in the New York City, a stuck elevator in the Empire State Building, and an emergency stop for a certain classmate.

Our Senior Class Play, "Our Town," was both an artistic and a financial sensation.

We sponsored a car wash and movies for children to further increase our treasury.

The Prom, "Twilight 'till Dawn," presented for the Seniors, was greatly appreciated as an impressive event.

Our last few weeks were very rushed and exciting. Finally when graduation came, we all realized that our high school years were over, but not to be forgotten.

Suddenly, We Were Seniors

THE CLASS WILL OF 1965

We, the modest will committee members of our sensationally great Senior Class, bequeath the priceless gifts we possess to those not fortunate enough to be a part of our class.

ARTICLE I

Section I: To the Juniors we leave Jimmy McGrath, who will guide them and teach them the secret ingredients of success.

Section II: To the Sophomores, who are in that difficult in-between stage, we leave the reminder to look to our class as an example and not to become too depressed when they can not achieve our greatness.

Section III: To the Freshmen, we can only express our heartfelt sympathy, for they were able to observe us only one short year. This is obviously an insufficient time to acquire our outstanding traits and vast experience, but we hope that some has rubbed off so that they might have a chance to at least partially fill our enormous shoes.

Section IV: We leave the faculty with far more patience, stamina, and endurance than they realized possible. These qualities, plus the deep feeling of insecurity which we have instilled in them over the past four years, should be kept alive by future senior classes whom we have trained well.

Section V: Last, but by no means least, we leave the cafeteria staff secure with the knowledge that the lunch schedule will proceed uninterrupted next year.

UNDERGRADS

To fall asleep at the driver's seat
may mean that our undergraduates
will find themselves veering off the course.
Let's take a look
at some of our wide awake undergraduates
who should prove to be alert drivers.

NON-TEACHING PERSONNEL

In addition to teachers, our high school staff is made of a highly competent group of secretaries, cafeteria workers, and janitors, who work silently but efficiently behind the scenes. We are indebted to all non-teaching personnel for keeping Walpole High running so smoothly and making our school one of which we can be proud.

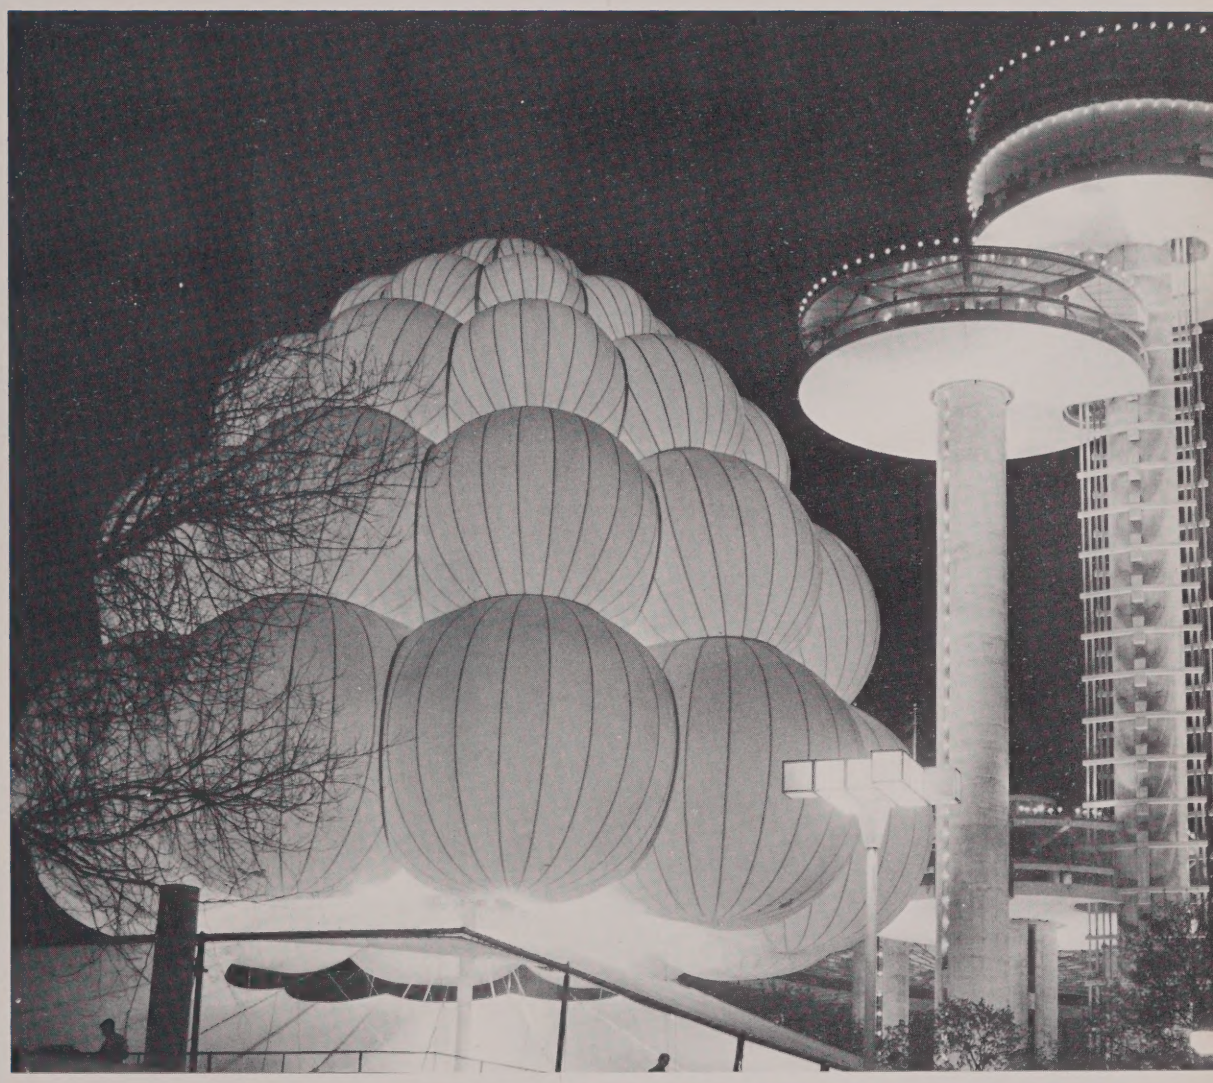
ACTIVITIES



We have enjoyed the many extra-curricular activities
Walpole High has offered us.
These groups have broadened our interests
and encouraged our school spirit.

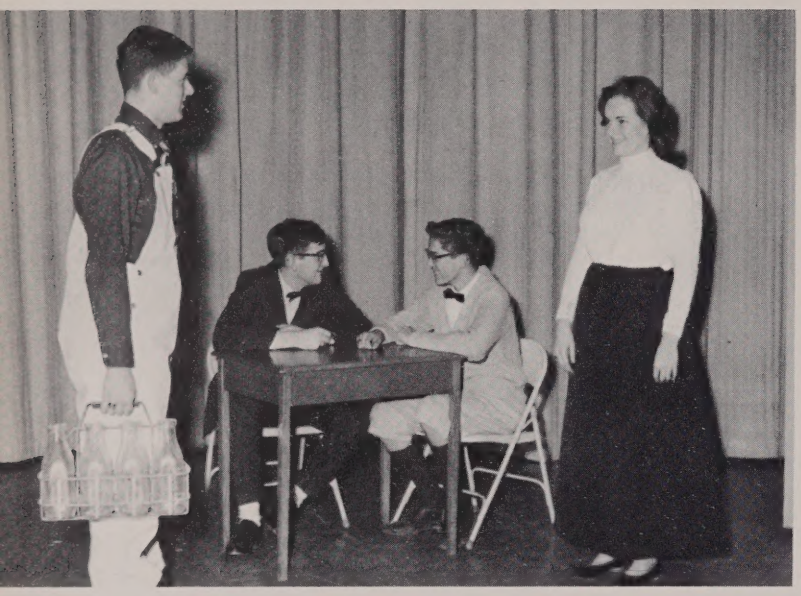
THE DAILY LIFE . . .

OUR



Act I shows a day in "Our Town", Grovers Corner, New Hampshire, and gives a clear picture of everyday life in 1901.

LOVE AND MARRIAGE

On April 2 and 3 of our graduating year, the Senior Class of Walpole High School presented Thorton Wilder's renowned play, "Our Town," directed by Mrs. Janette Willey.

After long hours of hard work, the cast successfully made superb performances both nights. Our presentation proved to be the most successful Senior Class Play in the history of Walpole High School. The class showed its great initiative by being the first to have the play two nights rather than one to add to its overall success.

Act II comes closer to the people, in the revealing and intimate love affair and beautiful marriage between George and Emily.

ON THE HILL

In the final act young Emily, through death, comes to a greater understanding of life, and with this understanding, a peace that living people do not perceive.

ROTARY CLUB COOKOUT

Someone's hungry!

What's so interesting?

Smile, Fitz — You're on Candid Camera!

Seconds or thirds, Pat?

On the evening of May 27, 1965, the Walpole Rotary Club invited Senior Groups to a cook-out at the Sportsmen's Club. The Honorary Society and Senior members of athletic teams and cheering squad were in attendance. After eating all we wanted, we proceeded to the clubhouse to hear our guest speaker, Charles Long of the Boston Patriots. After his interesting talk, sports awards for the past season were presented and Mr. Stacy closed the evening.

You KNOW we had an interesting speaker!

SENIORS TAKE OVER

On June 7, the Senior Class travelled en masse to Ted Hilton's resort in Moodus, Connecticut. Under the watchful eye of our faculty chaperones, we enjoyed swimming in the Olympic-sized pool, canoeing on the river, playing tennis, horseback riding over lovely trails, and participating in numerous other activities.

FOOTBALL

As in past years, Walpole's gridiron opponents proved too overwhelming for our small but steadfast eleven. Although outclassed, outnumbered, and outweighed in most contests, the boys always put up a gallant fight. In the end, all our frustrations and disappointments were overcome by the impressive Thanksgiving Day victory over Framingham North.

CROSS COUNTRY

This year the Walpole harriers finished with an impressive record of four wins and five losses thanks to the firm guidance of Coach Valaitas and the strong backbone of senior runners. Congratulations, boys, for such a successful season and good luck to the underclassmen of next year's team!

The Walpole High School field hockey team had another successful year. This was a difficult year, for only two girls on the Varsity team had had previous experience. Claire Buckley, with four year's experience, led the squad. High scorer for the Varsity was Debbie Harrison, who will be next year's co-captain with Sally Weissant. The team was coached by Mrs. Tsailas, a new teacher and coach, and by Miss Walters.

BOYS' BASKETBALL

The basketball team did not have a winning season but those on the team enjoyed playing whether they won or lost. Several games were very closely contested by our boys who, unfortunately, came out shortchanged when the final buzzer sounded. They made the Bay State Tournament; proof of a hard working team with more potential than most people realized.

Another year and more titles, that's how you can sum up Walpole High's 1964-65 hockey season. For the unprecedented fourteenth time we were the Bay State League champions. Then tourney time approached and the self-appointed hockey critics were boasting, "Walpole hasn't a prayer." Well anyway, our so called "cinderella" team won Walpole High's fourth State title, this feat being matched only by Melrose. Winning the title wasn't as easy as it sounds. Two games went into overtime play; the one with Hudson taking **two** days and **six** overtime periods to finish (a tourney record) and the semi-final and final games both being won by a score of 1-0. But with a great team effort, very able coaching, and an overwhelming school spirit to support them, the boys from Walpole skated to victory and glory.

Competitive Spirit Sparks Tennis Team

Although this year's team lost several key members from last year's tennis squad, they placed high in the league this spring. They began by losing a squeaker to Needham, an improvement over last year, and proceeded with no trouble against Norwood, Dedham, and Framingham North & South, and Natick. A close game lost to Braintree in the middle of the season set them back in the standings. Next year will be a building year for girls' tennis as they are losing both first and second singles and first doubles.

Competition Keen In League Play

Victories still seem hard to come by for the track team. The team was able to capture one victory by producing 100%, only to find this percentage shot up at other meets by other teams. With the already capable coaching and a strong nucleus returning next year, the track team could bring home many more wins.

SOFTBALL

This season's high spirited team missed having a perfect record by losing (19-18) to Braintree. All acknowledge this as being the most exciting, competitive game of the season. This year for the first time a junior varsity was chosen to prepare them for future varsity positions. Also for the first time, our coach, Miss Walters, decided to select a captain —Claire Buckley. It is hoped that next year there is as much enthusiasm and the team get their revenge against Braintree.

As in past years, Walpole was the team to beat and someone almost did. A perfect record was marred by a tie to Needham. Golf is fast becoming one of the most successful sports in Walpole athletics. The number of League titles won by Walpole teams proves this point without a doubt. Congratulations for a good job well done.

CLASS NIGHT . . .

Class Night for the Class of '65 was held the evening of June 4 with parents, teachers, and friends in attendance. President Richard Delaney welcomed the audience and introduced Peggy Johnson, who made the yearbook dedication. This year's Topper is dedicated to Mr. Charles Cinto, whom we have all known as a teacher or a coach. The Class History was read, and two vocal acts then alternated with the presentation of the Class Will and Class Prophecy. The three committees worked diligently to prepare for the evening, and their results were very well received. The program continued with the presentation of various academic awards. Mr. Burke then gave blazers to Walpole's outstanding athletes and awarded several trophies. The rendition of the Class Song closed the last official function for the Senior Class. The members then filed across the stage to receive a class picture and a copy of the prophecy. These innovations were very popular and proved once again that the Class of '65 is the greatest ever.

The long march in.

Prelude To Graduation

Zuzu Milo entertains the audience with a portion of the Class Prophecy.

Only a few moments more.

How many now, Betty?

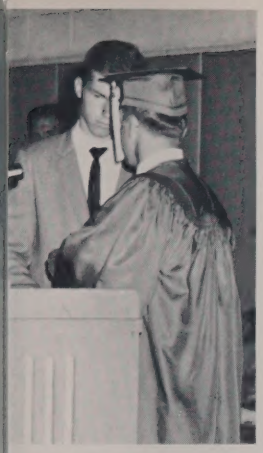
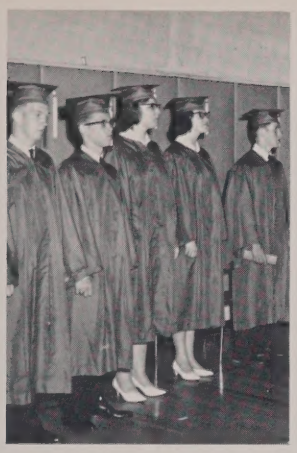
☆Audience Please Stand

Margaret Johnson introduces the honor essays on the theme, "Youth, the Hope of the Future."

Junior Marshals Linda Browne and Ted Fitzpatrick lead the Seniors in through the arches.



Ted Fitzpatrick accepts the Class Gift from President Delaney.



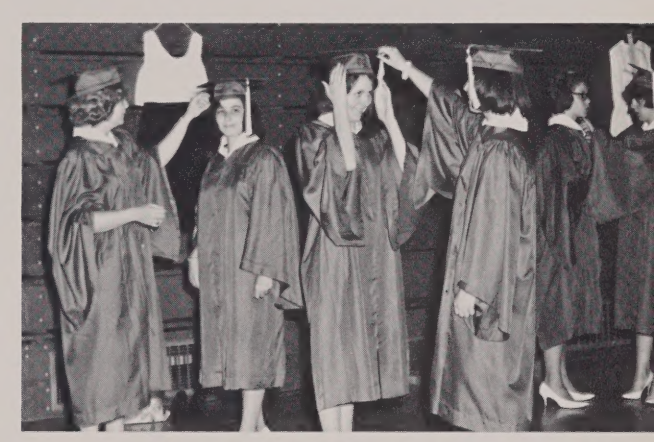
The honor essayists James Erker, Aaron Sawyer, Elizabeth Recks, and Margaret Johnson with the president.

The presentation of diplomas by Garrett Dalton, School Committee Chairman.

Valedictorian Elizabeth Recks accepts a scholarship award from Mr. Stacy.

And A Beginning

On June 8, 1965 at six in the evening, two hundred and ten proud members of the Class of 1965 slowly marched into the south quadrangle (Oops, it rained at 6:00 and we marched into the gym.), wearing royal blue caps and gowns. After we ascended the platform to receive our diplomas, we nostalgically sang our last goodby to Walpole High.



Some last-minute preparation.

The graduates, anxiously awaiting the important moment.

ADVERTISEMENTS

It is probably fair to say
that not all the world
will see our yearbook.
It is a modest boast, however,
when we promise that
as the world of Walpole visits the following exhibits
sponsored by our encouraging merchants
and friends,
they will enjoy meeting
some of the most cooperative people in the world.

This entire page is dedicated to the 1965 graduates of Walpole High by their parents!

As this marks the end of our book, it also marks the end of our high school days!

To You—our beloved sons and daughters we say—Persevere, continue to work hard and may all of God's joys reap bountiful rewards!
